Antenna

Internal view of the device showing the antenna and circuit board. The antenna is a small, thin, vertical rod-like structure mounted on the top surface of the device. The circuit board is visible on the right side, featuring various electronic components and connectors. A label on the left side of the device provides identification and technical specifications:

- Model #: APX23
- Serial #: 403011270-1
- Part #: 1704141-009
- Power: 135mA
- Version: NW
- Frequency: 200MHz
